This year's annual meeting will be held at 7:30 PM, Wednesday, March 16th, 2011 located at the Howard Johnson. All Association members are invited to attend.

Each year a Board member's term expires and an election must be held at the annual meeting to fill the position. This year Doug Keller's term is expiring. Doug Keller has been on the Board of Trustees since 1998 and is interested in serving another term.

Any member of the Nob Hill Water Association is eligible to serve on the Board of Trustees. If you are interested in serving on the Board, please call our office at 966-0272 by March 1st, 2011 so that a list can be generated and given to the Proxy Committee. An interview with the Proxy Committee is advised and can be arranged through our office.

The financial statement will be available to members at the annual meeting or upon request.

Courtesy Calls

Automated courtesy reminder calls are made one to two days before your regular bill is due and an automated disconnect call will also be made two days before water is disconnected. These changes were implemented in 2009 to help keep costs down, while still giving customer's extra notification on the status of their account. Unfortunately, it is not possible for members to choose to receive only one call. *If you would like all the reminder calls, please make sure the Association has your current telephone number. If you do not wish to receive any of the reminder calls please call and let us know so we can remove your number. Thank you*
