

IMPORTANT TAX NOTICE

December 2011

Nob Hill Water Association

Edition 53

November 30, 2011

Dear Nob Hill Water Customer:

In today's newspaper is an article regarding the Yakima City Council potentially increasing utility taxes up to 6%. What you may NOT know is that this tax WILL be applied to your Nob Hill Water bill. A 6% increase will raise your tax on your water bill from the current 16% to **22%**! The increase will be applied to water, sewer, garbage and stormwater.

Currently, Nob Hill Water customers pay a 14% utility tax and a 2% Franchise Tax to the City of Yakima.

The Management and Board of Directors thought that Nob Hill Water residents should be informed of how this decision will impact their water bill.

The Yakima City Council will be voting on this increase at next Tuesday's (12/6/11) regular meeting.

If you have any concerns or questions, please contact your City Council Representative directly or the Mayor's Office at 575-6050.

Sincerely,

Nob Hill Water Association
