Each year a Board member's term expires and an election must be held at the annual meeting to fill the position. This year Jeff Stevens' term is expiring. Jeff Stevens has been on the Board of Trustees since 2003 and is interested in serving another term. Any member of the Nob Hill Water Association is eligible to serve on the Board of Trustees. If you are interested in serving on the Board, please call our office at 509-966-0272 by March 1st, 2017 so that a list can be generated and given to the Proxy Committee. An interview with the Proxy Committee is advised and can be arranged through our office. The financial statement will also be available to members at the annual meeting or upon request.

NO WATER?? Call Us First!

During the cold weather months, you may experience issues with not having water. This may be due to a frozen water meter or water pipes. Please remember to call Nob Hill Water first to try and rectify the situation. Nob Hill Water does have 24 hour emergency technician available at all times. **509-966-0272**

Courtesy Calls

Automated courtesy reminder calls are made one to two days after your regular bill is due and an automated disconnect call will also be made two days before water is disconnected. These changes were implemented in 2009 to help keep costs down, while still giving customer's extra notification on the status of their account. Unfortunately, it is not possible for the members to choose to receive only one call. **If you would like all the reminder calls, please make sure the Association has your current telephone number. Thank you.**
